EVERGREEN trees are especially eloquent as Christmas gifts. "Merry Christmas", they'll say for you in 1944, and all the Christmases to come. Andorra Advocates these Evergreens: The red-berried Holly; Hemlock, Spruce, Pine, Yew. And these lovely flowering trees: Dogwood, Magnolia, Crabapple, Hawthorn, Silver-Bell, Sorrel-Tree, Mountain Ash, Golden-Chain. Many of these treasures also wear their jewels in the Fall—enchantment of gay berries, fruits and foliage.

Plant Evergreens and Hollies NOW for Christmas enjoyment.
Send the Gift Certificate for planting in the Spring.

CHOOSE from hundreds of beautiful trees and shrubs! We list only a few here. Wouldn't you like to make your own selections? Just telephone us (Conshohocken 1900), or write us your instructions. The enclosed card is for your convenience.
